

# NEW Core Complex

Put the power of heart health in your hands.

## Key Benefits

- Plant sterols, found in soybeans, have been shown to reduce LDL (“bad” cholesterol) and total cholesterol.\*<sup>1</sup>
- Provides antioxidant protection to support circulation and healthy blood vessels.\*
- B vitamins help maintain healthy homocysteine levels already within a normal range.\*
- Each carton contains 30 convenient packettes so it’s easy to get the heart-healthy nutrients you need each day.

<sup>1</sup> Foods containing at least 0.65 gram per serving of plant sterols, eaten twice a day with meals for a daily total intake of at least 1.3 grams, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease.

## Taking Nutrition to Heart™

Developed with Nobel Laureate in Medicine Dr. Lou Ignarro, Core Complex targets four key indicators of heart health: cholesterol, triglycerides, homocysteine and oxidative stress.\*\*

Each Core Complex packette includes:

- 2 brown softgels of plant sterols and B vitamins
- 1 green softgel of mixed tocopherols, quercetin and alpha lipoic acid
- 1 burgundy softgel of Tri-Shield™ with Neptune Krill Oil (NKO®)<sup>†</sup>
- 2 gold softgels of Herbalifeline® fish oils with Omega-3 fatty acids

Taken together, the six softgels in Core Complex provide a convenient and comprehensive solution to support your heart health.\*

## Fast Facts

- Developed with and exclusively endorsed by Nobel Laureate in Medicine, Dr. Lou Ignarro.\*\*
- Tri-Shield™ Neptune Krill Oil (NKO®)<sup>†</sup> provides three significant heart-healthy compounds—Omega-3 fatty acids, phospholipids and antioxidants such as astaxanthin—for nutrient and antioxidant absorption.
- Mixed tocopherols and quercetin provide antioxidant protection to help support circulation and healthy blood vessels.\*
- Alpha lipoic acid is an important nutrient required for energy production, such as the energy required to support the heart muscle.\*
- Consumption of Omega-3 fatty acids may reduce the risk of coronary heart disease.\*<sup>2</sup>

## Suggested Usage

Take one packette per day with a meal and set aside 1 brown plant sterols softgel for consumption with a later meal.

<sup>2</sup> FDA evaluated the data and determined that although there is scientific evidence supporting the claim, the evidence is not conclusive.
